

**FRIENDS OF THE BERNARDSVILLE PUBLIC LIBRARY  
ANNUAL LETTER**

The Friends of the Bernardsville Public Library are eternally grateful to our donors and volunteers who have contributed in the past years to make our library the wonderful community resource and asset that it is. Last year, we were able to continue to partner with the library in order to provide funding for programs demonstrating the greatest community needs. These ranged from children's programs and juvenile programs to programs for senior citizens. A few of these include the museum pass program, purchase of e-readers for lending to patrons, lighting enhancements in the library, library staff development, children's summer reading program, English-As-A-Second-Language, and library furnishings and technology with support and training for patrons.

Today, we are all aware that economic times are tough, and therefore, the mission of the Friends to assist in supporting this community treasure is more crucial now than ever. With your help and support either through volunteerism or financial donations, the Friends will be able to continue to help maintain our library's status as an outstanding resource for all community members.

Thanks,

John Deibert, President, Friends of the Bernardsville Public Library

***The 2011-2012 annual fund drive is on!***

**To find out how to contribute, go to [www.bernardsvillelibrary.org/support](http://www.bernardsvillelibrary.org/support)  
or fill out and return this coupon with your gift today.**

To maximize funding for the library, the Friends are no longer sending a separate donation request to area residents. Thank you for your support!
