

You are invited to...

Make a splash @ your library!

READ!

at Bernardsville Public Library's 2010 Summer Library Program
Starts June 28!

How the Program Works

1. Children ages 2½ to grade 6 can register for a variety of programs, activities and reading adventures.
2. You may register for the reading programs any time starting June 28. If you want to complete the 56-day reading challenge, you must be registered by Friday, July 2.
3. There are more than 56 days of reading available from June 28 to August 27! Each week, you will report your reading time and receive a weekly prize. If you complete one of the suggested activities, you will receive a Star punch on your "Make a Splash" card. You can use your card to buy special prizes.
4. You'll receive a calendar to record your reading times and a list of suggested activities.
5. We'll be offering a variety of programs, prizes, and contests all summer, so pick up a list of events and drop in as often as possible.
6. **Everyone who completes 56 days of reading will receive a special prize and a certificate of accomplishment. All programs and activities will end on Friday, August 20; recorded reading times will end on August 27. There will be a final party and special rewards in September 2010 for all our summer reading participants.**

For more information, call the library at 908-766-0118.
