## **TAC Application**

**TAC** stands for Teen Advisory Council. TAC if you did not know, is a group of teens that help the Bernardsville Library be a **welcoming, interesting and stimulating place** for teens. They arrange and suggest movie, pizza and coffeehouse nights, in addition to helping to plan reading clubs, book discussions, and other activities. They suggest new books, magazines, and movies that the library should have, especially ones that teens would enjoy reading and watching. Anyone from 12+ is welcome to join TAC. Just fill out the application below and give or mail it to Michael Casey, Youth Services Librarian at the Bernardsville Public Library.
