

FRIENDS OF THE BERNARDSVILLE PUBLIC LIBRARY
ANNUAL LETTER

The Friends of the Bernardsville Public Library would like to thank those who have generously donated time or made financial contributions to our library over the past 12 months. In addition, if you were able to attend our fundraiser "An Evening With Bill Moyers," we appreciate your support. During the past year, despite challenging economic times, our library has continued to be a resource to all members of the community. The contributions you have made have enabled us to continue to provide the much-loved children's programs, as well as those for adults, such as Sundays at Three concerts and English-as-a-Second-Language classes. They have also allowed us to upgrade and improve library furnishings and technology. In the past year, the library even served as a community warming center for many who were without power due to a severe ice storm. None of this would be possible without your help.

With your help and support either through volunteerism or financial donations, the Friends will be able to continue to provide the programs and resources which make the Bernardsville Public Library the tremendous community asset that it is. We are proud to support this wonderful institution, and we thank you in advance for what we anticipate will be another rewarding year at the library.

Thank you,
Roni Larini, President, Friends of the Bernardsville Public Library

Volunteers

Library volunteers of all ages give countless hours of service to the library. Volunteers assist with children's programs and craft projects, staff the Local History Room, provide income tax assistance at the library, arrange for and hang art displays, teach the English-As-A-Second-Language programs, run the bridge group, and process, cover, repair and re-shelve books and other materials. The Bernardsville Garden Club maintains and restocks the library's outdoor plantings and provides weekly indoor floral arrangements. We thank everyone who volunteered in 2011-2012.
