INDEPENDENT ACCOUNTANTS COMPILATION REPORT

Friends of the Bernardsville Public Library, Inc.
1 Anderson Hill Rd.
Bernardsville, NJ 07924

Management is responsible for the accompanying financial statements of Friends of the Bernardsville Public Library, Inc., which comprise the statement of assets, liabilities and net assets-modified cash basis as of December 31, 2015 and 2014, and the related statements of revenue and expenses and cash flows-modified cash basis for the years then ended and for determining that the modified cash basis is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

We draw attention to Note 1 of the financial statements, which describe the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles accepted in the United States of America.

FRIENDS OF THE BERNARDSVILLE PUBLIC LIBRARY, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ACTIVITIES-Friends of the Bernardsville Library, Inc. (“the Association”) was organized to assist and promote the Free Public Library of the Borough of Bernardsville, County of Somerset, State of New Jersey. They are supported primarily through contributions and fundraising events.

BASIS OF ACCOUNTING – The Association’s policy is to keep its accounts and records and prepare its financial statements on a modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. This basis of presentation differs from accounting principles generally accepted in the United States of America (GAAP) in that certain revenues are recognized when received rather than earned and certain expenses are recognized when paid rather than when the obligation is incurred. Specifically, the variances from GAAP include omission of investment income receivable and accrued expenses. Such variances are presumed to be immaterial. However, similar to financial statements prepared in accordance with GAAP, these financial statements reflect fair value of investments. The accompanying financial statements are not intended to present the financial position and results of operations in conformity with accounting principles generally accepted in the United States of America.

FINANCIAL STATEMENT PRESENTATION – The financial statement presentation follows the guidance of the accounting standards relating to financial statements of not-for-profit organizations. Under these standards, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, as applicable to its operations.

USE OF ESTIMATES – The preparation of these financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CONTRIBUTED SERVICES – The Association receives a certain amount of services donated by its members in carrying out the organization’s activities. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under SFAS No. 116.

INCOME TAX – The Association qualifies as a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code (the “Code”) and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code and is also exempt from state and local income taxes.

FRIENDS OF THE BERNARDSVILLE PUBLIC LIBRARY, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014

The Association recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Association had no uncertain tax positions that would require financial statement recognition or disclosure. The Association is no longer subject to examination by the applicable taxing jurisdictions for periods prior to December 31, 2012.

EVALUATION OF SUBSEQUENT EVENTS – The Association has evaluated subsequent events through June 7, 2016, the date which the financial statements were available to be issued.

NOTE 2 INVESTMENTS

Investments at fair value as of December 31, 2015 and 2014 are summarized as follows:

	<u>Unrestricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
<u>December 31, 2015</u>			
Mutual Funds	\$ 14,813	\$ 148,864	\$ 163,677
Common Stock	<u>1,047</u>	<u>--</u>	<u>1,047</u>
Total	<u>\$ 15,860</u>	<u>\$ 148,864</u>	<u>\$ 164,724</u>
 <u>December 31, 2014</u>			
Mutual Funds	\$ 15,630	\$ 158,880	\$ 174,510
Common Stock	<u>3,218</u>	<u>--</u>	<u>3,218</u>
Total	<u>\$ 18,848</u>	<u>\$ 158,880</u>	<u>\$ 177,728</u>

NOTE 3 PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets represent funds the Association received as a beneficiary under the Last Will and Testament of Ruth M. Blumenschine. The will restricted the use of the funds to the capital improvements of the Bernardsville Public Library.

NOTE 4 CASH AND CASH CONCENTRATION

The statement of Assets, Liabilities and Net Assets as of December 31, 2015 and 2014 included cash in checking accounts and certificates of deposit at various banks. These accounts were within federally insured limits at December 31, 2015 and 2014.

NOTE 5 FAIR VALUE MEASUREMENT

The Association's investments are reported at fair value in the accompanying statement of assets, liabilities and net assets. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Association believes its valuation methods are appropriate and consistent with other market participants, the use of

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Association uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Association measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds, common stocks and money market accounts are based on quoted market prices.

The following tables set forth, by level within the fair value hierarchy, the Association's investments at fair value as of December 31, 2015 and 2014.
