EQUAL HOUSING OPPORTUNITY
Dear Homes of Distinction Guests and Supporters,

I want to personally thank each one of you for your support of the Library Foundation's annual Homes of Distinction event. Beautiful, historic homes, barns, and the stables are part of the character of the Somerset Hills and our curiosities are always peaked when we peer into the past.

While enjoying the magnificent 100 year old Brady family stable, tasty bites by The Bernards Inn, decor by Jeffrey B. Haines of Butler’s of Far Hills, flowers by Laura Clare and wonderful auction items donated by local businesses and supporters, remember that your participation helps Bernardsville Library continue its excellence in service to our community.

I greatly appreciate you joining us on this day. Enjoy all the festivities and keep our wonderful library in your charitable heart.

A special thank you to W. Barry Thomson

For eight consecutive years, Library Journal, the most trusted and respected publication for the library community, ranked Bernardsville Public Library as a Five-Star Library, its highest rating. Of the nearly 7,500 public libraries covered by the rankings, Bernardsville Library was one of only four Five-Star libraries in New Jersey, and it ranked eighth nationwide in its budget category.

The Bernardsville Library Foundation is an all-volunteer 501(c)(3) tax-exempt organization. Its mission is to be a source of private funding to enable Bernardsville Public Library to continue to operate at a level of excellence without regard to variations in public funding.

Thank you for your support of this valued community resource and for helping to ensure the library’s continued levels of service and excellence.
