FRIENDS OF THE BERNARDSVILLE PUBLIC LIBRARY, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012 AND 2011

Friends of the Bernardsville Library, Inc. ("the Association") was organized to assist and promote the Free Public Library of the Borough of Bernardsville, County of Somerset, State of New Jersey.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Association's policy is to keep its books and prepare its financial statements on a modified cash basis of accounting; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Basis of Presentation-Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements for Not-For-Profit Organization. Under SFAS No. 117, the Association is required to report information regarding its unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Estimates- The preparation of these financial statements requires the Association's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Federal Income Tax-The Association is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

Contributed Services-The Association receives a certain amount of services donated by its members in carrying out the organization's activities. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition under SFAS No. 116.

NOTE 2 INVESTMENTS

Investments at fair value as of December 31, 2012 and 2011 are summarized as follows:

	<u>Unrestricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
<u>December 31, 2012</u>			
Mutual Funds	\$ 15,460	\$ 149,916	\$ 165,376
Common Stock	3,276	--	3,276
Total	<u>\$ 18,736</u>	<u>\$ 149,916</u>	<u>\$ 168,652</u>

Total	<u>\$ 13,850</u>	<u>\$ 136,643</u>	<u>\$ 150,493</u>

NOTE 3 PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets represent funds the Association received as a beneficiary under the Last Will and Testament of Ruth M. Blumenschine. The will restricted the use of the funds to the capital improvements of the Bernardsville Public Library.

NOTE 4 CASH AND CASH CONCENTRATION

The statement of Position as of December 31, 2012 and 2011 included cash in checking accounts and certificates of deposit at various banks. These accounts were within federally insured limits at December 31, 2012 and 2011.

NOTE 5 FAIR VALUE MEASUREMENT

The Association's investments are reported at fair value in the accompanying statement of assets, liabilities and net assets. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Association believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Association uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Association measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds and money market accounts are based on quoted market prices.

The following tables set forth, by level within the fair value hierarchy, the Association's investments at fair value as of December 31, 2012 and 2011.
