Bernardsville Public Library  
January 16, 2007

Stephanie Wallace called the Board of Trustees (“Board”) meeting to order at 5:35 p.m. and read the Open Meeting Notice.

Public Participation: Mr. Shea mentioned that the Friends would be meeting on the following evening, having changed their regular meeting date to the third Wednesday to be better aligned with the regular Board meeting date. The appropriate papers have been filed to change the name from Bernardsville Library Association to Friends, which will be completed within 30 to 45 days. The Friends’ Executive Committee has been expanded to include the finance, program and publicity chairs and will meet every other month, in the months that the entire Friends board does not meet. Mr. Shea has appointed an ad hoc committee for construction coordination regarding the circulation desk remodeling project.

Minutes: Mrs. Wallace moved approval of the minutes of the meeting of December 12, 2006, as submitted; Mr. Burset seconded the motion, which carried.

- Use in all categories was increased over the year. We are presenting our year-end statistics in a new format.
- Madelyn English has been nominated for an award given by the Highlands Regional Library Cooperative for her work with the library newsletter.
- It appears that the borough has included the capital amount for the lighting replacement in its bond ordinance that was introduced on January 4 and will be voted on on January 18. Mr. McCrossan agreed to follow up on the amount included and get back to the Board.
- There has been one gift in an amount that would be included in the “Wall of Honor” under the gift recognition policy, but since the Wall of Honor has not been funded, Mrs. Yannetta proposed a temporary recognition plaque. The Board agreed.
- Mrs. Yannetta pointed out the draft resolutions to permit contracts to be given without full competitive bidding. Ms. Thompson moved adoption of resolutions 1-4 contained in Appendix H-3 to the meeting package, authorizing dealings with Baker & Taylor for books, Polaris for the computer system, Dublin Maintenance Contractors for cleaning, and Kennedy-Grant Architecture for architectural services. Mr. Reznick seconded the motion, which carried. The resolution regarding computers to be supplied by Dell will be considered next month.
